

The Past:

Camp Hackett boasts a proud history and tradition of service. Established in 2005, the WWIA has worked closely with Northwoods Community leaders to build and maintain a safe and conducive environment for our combat-wounded to enjoy and heal.

The Present:

The WWIA continues to deliver Purple Heart recipients to the great north woods of Wisconsin. Our bunkhouse was built by local supporters and our Heroes themselves and accommodates 4 veterans comfortably.

The Future:

Our vision is to ultimately create and sustain a year-round ADA compliant facility capable of providing our combat-wounded and their family members with a safe and comfortable healing center to enjoy the many wonderful healing opportunities found at this magical place.

MISSION:

The Wounded Warriors in Action Foundation Inc. (WWIA) serves our nation's combat-wounded Purple Heart recipients by providing world-class outdoor sporting activities as a means to recognize and honor their sacrifice, encourage independence and connections with communities, and promote healing and wellness through camaraderie and a shared passion for the outdoors.

... It is great to see people who still love this country and the people who served...
-G. Schlosser, US Army

Camp Hackett, WWIA's Northern Healing Center, consists of 410 bountiful acres of private land located in northern Wisconsin, approximately 20 miles from the town of Phillips, Wisconsin in Price County.

Camp Hackett offers all-expense-paid trophy whitetail bow hunts, as well as hunting for ruffed grouse, waterfowl and black bear. Guided Muskie, Pike, and Walleye fishing is also available.

... I have missed the camaraderie... Everyone we met was so very kind and thankful for our service... the best hunting experience I have ever had...
-J. Kutzner, USMC

We have seen measurable success in improving the lives of combat-wounded veterans through therapeutic recreational activities at the Northwoods Healing Center Camp Hackett.

... The utmost professionalism of your Guides, coupled with the love, appreciation, and welcoming of all the people involved is really a touching, heartwarming experience.
-A. De La Garza, US Army

... to share experiences and stories with people cut from the same cloth.... I would like to thank the Hosts and community for donating their time, money, family, love and stories with us.
