Inaugural Wisconsin Hunters for Warriors Pheasant Hunt

February 24-26

Seven Purple Heart Heroes participated in a great weekend of Pheasant hunting at the Inaugural Southwest Wisconsin Chapter of Pheasants Forever Hunters for

Warriors Event. Hosts Mark Johnston and Dave Fortin led this group of Warriors, who participated in a trap shooting clinic, a skeet shooting contest, and harvested a total of 28 birds on their first day of hunting. The second day of hunting was even better, as 33 birds were harvested for a total of 61 birds over the weekend! Thank you to everyone who worked hard to make this inaugural event so special for our Heroes!

"Thank you to all the guides, the support, the volunteers, the cooks, Tanglewood Ranch, the DNR, and WWIA. I leave here today feeling absolutely blessed, humbled, full of admiration, but most importantly, cared about. God bless everyone who had a hand in the event and may your lives be touched and blessed in return."
